

Davie County Law Enforcement Association

Monthly Meeting

Date: Wednesday, May 28, 2025

Meal and Invocation: Chick Fil A \$172.40

Treasurer Report: Checking: \$9,699.59 | Savings: \$11,671.17

Old Business:

- The Hunter Safety Building is in the process of being hooked up through Energy United. Mathis is handling the entire ordeal. He has a trusted electrician who is going to come out and meet with Energy United's engineer to put the meter on the building, Mathis will be handling all costs and bills for the building.
- The Fundraiser has been decided, we are having a bowling pin shoot. Haynes is getting the bowling pins from a bowling alley in Salisbury. The Fundraiser will be on June 21st. Stuttts said he would have someone look at the racks, Victory Arms will be donating the pistol for the shooting prize if they can sell guns and ammo on the premises for the day. Mike Williams will be working the grill.
- We are asking for a group of people to volunteer for the event, JD Miller said he would volunteer to help out. We also need to come up with a date in the next week for those volunteers to get together.
 - It was brought up to maybe make the concessions free. There will also be a lemonade truck through the High School setup with donations for Shop with a Cop.

New Business:

- 8 New members were voted in during this meeting:
 - Nathan Andrews, David Bell, Melissa Pendley, Victoria Guzman, Kyle Baker, Jesse Beeker, Jaque Frazier, and Mandy Murphy.
 - All in favor of new members – Daniel Matthews made a motion to accept, Shannon Mathis seconded it. Motion carried.
- Victory Arms wants to be able to use the range. Haynes told them they are not eligible according to our by-laws. DJ Made a motion not to allow it, Shuskey seconded the motion.
- Bonita Finney contacted Haynes because someone contacted her regarding the fence that lines our property. The homeowner said that there are branches hanging over the fence and the fence is leaning over. Haynes wants to get some people

together to help fix this fence issue. Colt made a motion to purchase a lawnmower to be able to mow the lawn around the perimeter of the property, seconded by Shuskey. (We will need to do an email vote to decide on that outcome since it is time sensitive.

- Shuskey wanted to double check that the Range is a non-profit organization. So any volunteer time put in does technically count as a tax right off.

Meeting was adjourned at 1:15PM.
