## Monthly Meeting

**Date:** Wednesday, January 29<sup>th</sup>, 2025

**Meal and Invocation:** Dominos Pizza – free

**Treasurer Report: Checking:** \$24,527.70 | **Savings:** \$1,624.00

### Old Business:

- Regarding the individual hitting the gate – we need to contact his insurance to make a claim.
- It was brought up to hire the cleaning company again to clean.
- The signs were made about not shooting the metal targets with the rifle ammo, individuals are shooting the pistol targets with rifle ammo and leaving dents in them. This needs to be dealt with as well, possibly other signs.
- High school students are still building the picnic tables and things, should be a good price.
- A new savings account for making more interest off of the amount of money we have saved was brought up last meeting, we discussed using Slaten Heart bank, they have 4.2% interest. It was brought up to move \$10,000 from the checking into this account to gain more money in interest. That keeps around \$15,000 in the original checking account for use. Daniel Matthews made a motion to open that new account, Jason Robertson seconded.

### New Business:

- 3 New members were voted in during this meeting:
  - (1) Drew Renegar – motion made by Colt, seconded by Ryan
  - (2) Chad Hemmings – motion made by Adan B., seconded by Daniel Matthews
  - (3) Bradley Hutcheson – motion made by Mathis, seconded by Jason R.
- Regarding the gas tank:

Ryan talked to GMB energy. They have 500 gallon gas tanks and 1000 gallon gas tanks. If you use at least 400 of the 500 gallon tank, the \$225 lease fee is waived. If you use at least 800 of the 1000 gallon tank, the \$325 lease fee is waived. You pay the lease fee if you do not use at least that much. We are waiting on another quote from quality oil to vote and make a decision and then we will vote by email.

- It was brought up to look at the cost of propane by Colt. Last year it was \$2.69, which made the bill \$180-\$190 every month. The thermostat was being kept at 55 degrees and the pipes froze 4-5 times this past year, according to Shuskey. We decided the thermostat should be set to 62-65 degrees. Thinking about getting a new thermostat you can change the temperature with your phone. Ryan made the motion to buy a thermostat for \$150 or less, Daniel seconded the motion.
- Fundraiser stuff:
  - Turkey shoot / fundraiser shoot
  - Bowling pin shoot – Daniel can get bowling pins.
  - One for DCLEA and one for SWAC
  - Highpoint range has a turkey shoot every weekend.
