Old Business:

- Challenge Coins are in, Ryan explained the money made from the Challenge coins is for the range, not for Shop with a Cop.
 - Discussion about names of people who would like to assist with selling coins, told them we are writing names down and how many they got because if they go “missing”, that person will be responsible for paying for the missing coins.
- JD Miller said he is still working on enhancing the calendar for the range website. He said his plan is to make a rough draft and getting it to President Haynes to be able to add it to the website, but after further review, the calendar on the website is already designed that way.

New Business:

- Voting new members: 1 new member was voted in today; Christian Ortiz, ALE.
- Dale Cooper donated a Busch master AR15 rifle to be raffled off. He wants the proceeds to also go to the range itself, to assist with upgrades and renovations.
- John Porter, ALE, stated he has a group of boyscouts that would love to volunteer to help clean up the range. We spoke about having president Haynes pick a new cleanup day for the range and that we would get that out to everyone, asap. Porter said after the third week of June or early July works best for the boyscouts. He also said he has a pressure washer we can use to pressure wash the range building and sidewalks.
- Shuskey asked if we could give a few of the LEA challenge coins to individuals who are graduating BLET at the top of their class, with their certificates of achievement. Daniel Matthews made a motion to accept this and Wes Martin seconded the motion, the motion carried.
- Rebecca was asked by Shuskey to write up something about the LEA to give with the coins to the BLET graduates, so they know how special it is they are receiving a coin.
